FINAL REPORT – STATUS REPORT

Complete identifying information including project code with LEA's four-digit district code.

Goal/Objective/Activity Code: Indicate the codes from the originally approved carry-over application or subsequently approved amendment(s) for all approved activities.

Status of Objectives Based on Evaluation Plan Results: Describe the LEA's progress toward meeting all of the *measurable objectives and performance standards* described in the approved carry-over application or subsequently approved amendment(s). Briefly describe the activities completed and the results obtained during the carry-over project period. Specific reference should be made to the elements outlined in the approved evaluation plan.

CSR Annual Report: If carry-over activities are a continuation of those approved and carried out in FY 2001, a copy of the FY 2001 CSR Annual Report can be submitted. If activities in the approved carry-over application differ from those identified in the original FY 2001 CSR application, then an updated CSR Annual Report must be distributed to the public and attached to this report. **Note:** This report is not the school report card.

The CSR Annual Report should include the following information: the number of fully qualified teachers hired, grades assigned, impact on class size, progress towards increasing the percentage of classes in core academic areas taught by fully qualified teachers, professional development description (number of participants, including staff from private schools and grades taught) and academic (pre-and post-testing) and nonacademic information (attendance, discipline, promotion trends, instruction time, student/teacher relationship, socialization, teacher retention/job satisfaction).
